

INSPIRE AWARD MANAK - SESSION (2021-22)

Project Title: SMART CHALK DUST ABSORBER DUSTER

Name of the Student: AKSHIT

Admission No. 5693

Class – 7TH A

Award: Rs. 10,000/-

A simple but useful project called **SMART CHALK DUST ABSORBER DUSTER** is designed and developed here to provide neat and clean, hygienic class environment in the schools for effective teaching-learning process.

IMPACT ON THE SOCIETY/USES:

1. A very handy device which will be used to keep the class environment clean, free from dust.
2. To keep the class-environment infection free and to avoid bronchial/respiratory diseases caused due to chalk dust.

Guide Teacher:

Mr. Prince Sharma (PGT Physics)

KV NO.1 RCF HUSSAINPUR
